**UNIVERSITY OF VIRGINIA
BOARD OF VISITORS AGENDA ITEM SUMMARY**

BOARD MEETING: September 14, 2017

COMMITTEE: Ad Hoc Committee on Commonwealth Engagement

AGENDA ITEM: II. Scope and Charge for the Ad Hoc Committee on
Commonwealth Engagement

ACTION REQUIRED: None

DISCUSSION: As a newly formed ad hoc committee, it is important to define the scope and charge. The University of Virginia provides many services to the Commonwealth of Virginia, some of which others are not aware. This committee will inventory the many services, projects, and opportunities the University provides to the community already outside of the educational realm. In addition, they will also think about what else we could do to enhance the economic and social life of the Commonwealth.

It is vital to properly tell our story of what the University already does and what else we are able to do to help prepare our community and the Commonwealth for economic growth. We will explore how the different schools can work together to help promote this vision.
