BOARD OF VISITORS WORK SESSION

Friday, July 31, 2020

3:30 – 5:00 p.m.

Electronic Meeting

OPEN SESSION

- Board Work Session with the Administration

CLOSED SESSION

- Discuss with University leadership detailed plans regarding the University's response to the coronavirus. This discussion will include proprietary, business-related information about the Medical Center's preparations for testing and clinical response to the COVID-19 emergency, and briefings by University leadership and legal counsel regarding plans to address potential imminent threats to public health and safety of persons on University Grounds or using University facilities including safety issues around students, faculty, and staff returning to Grounds for the fall semester, and related liability issues.
- The relevant exemptions are Sections 2.2-3711 A (7), (8), (19), and (22) of the Code of Virginia."
