AGENDA

OPEN SESSION

- Opening Comments

CLOSED SESSION

- Discussion of confidential and proprietary information pertaining to the operations of the University of Virginia Health System, specifically quality and safety in patient clinical care and data related thereto; Be Safe report and benchmarking; sentinel event review; Joint Commission update; GEMBA – Neurosciences and Behavioral Health Inpatient Unit; language assistance program; ambulatory optimization; thromboembolic events reduction after implementation of VTE risk stratification tool, and the performance of individuals; all for the purpose of improving patient care at the University of Virginia Health System, where disclosure at this time would adversely affect the competitive position of the University of Virginia Medical Center, and all in consultation with legal counsel.
- The relevant exemptions to the Virginia Freedom of Information Act authorizing the discussion and consultation described above are provided for in Sections 2.2-3711 (A) (1), (8), (16) and (22) of the Code of Virginia. The meeting of the Quality Subcommittee is further privileged under Section 8.01-581.17 of the Code of Virginia.

OPEN SESSION

- Regulatory Report
