

# Undergraduate Advising at the University of Virginia

---

June 2019

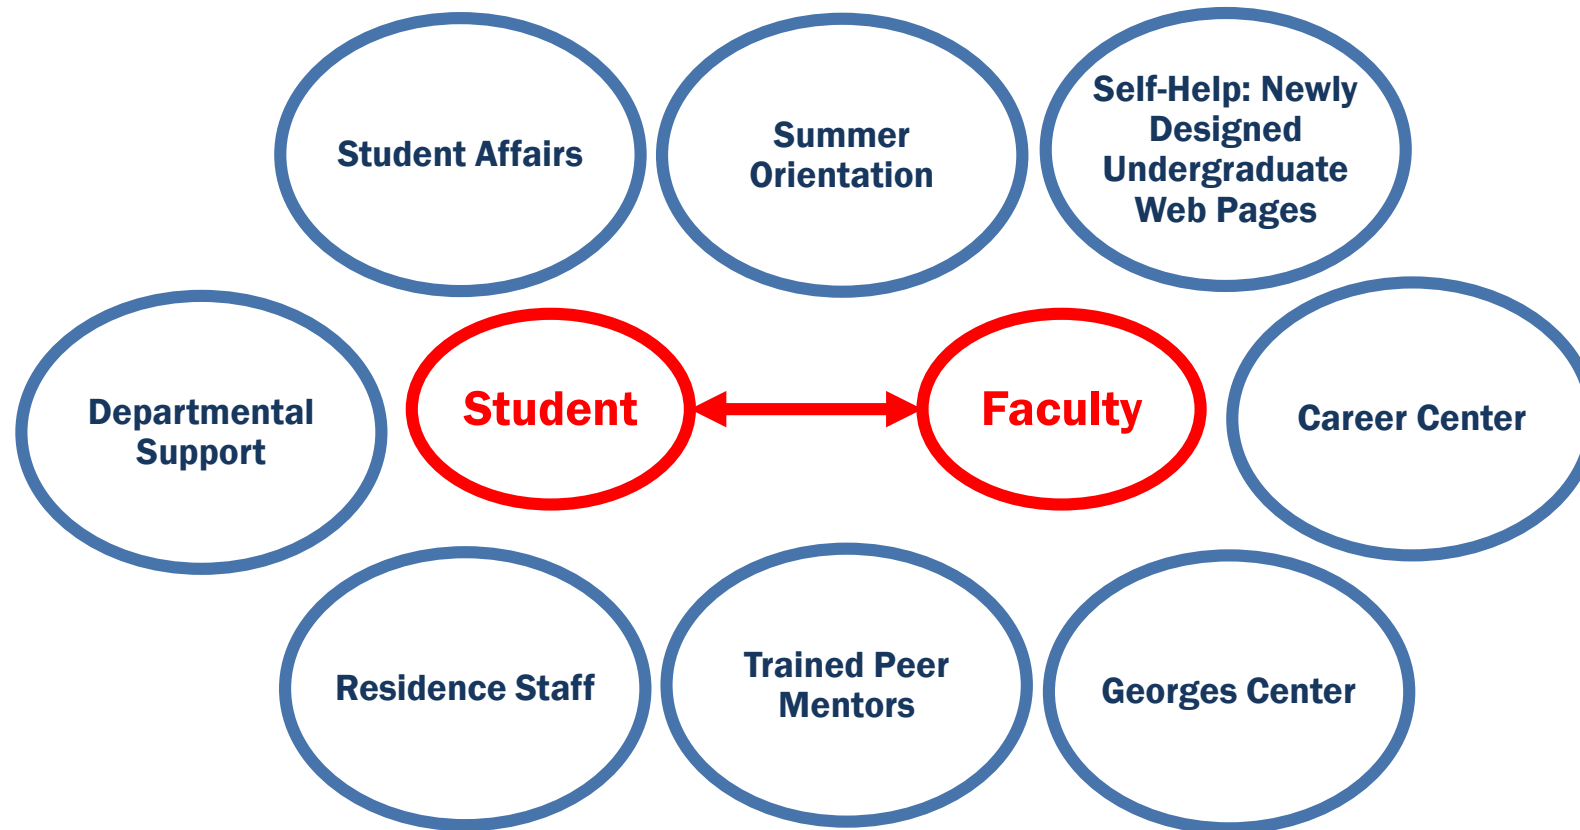

Office of the Executive  
Vice President and Provost

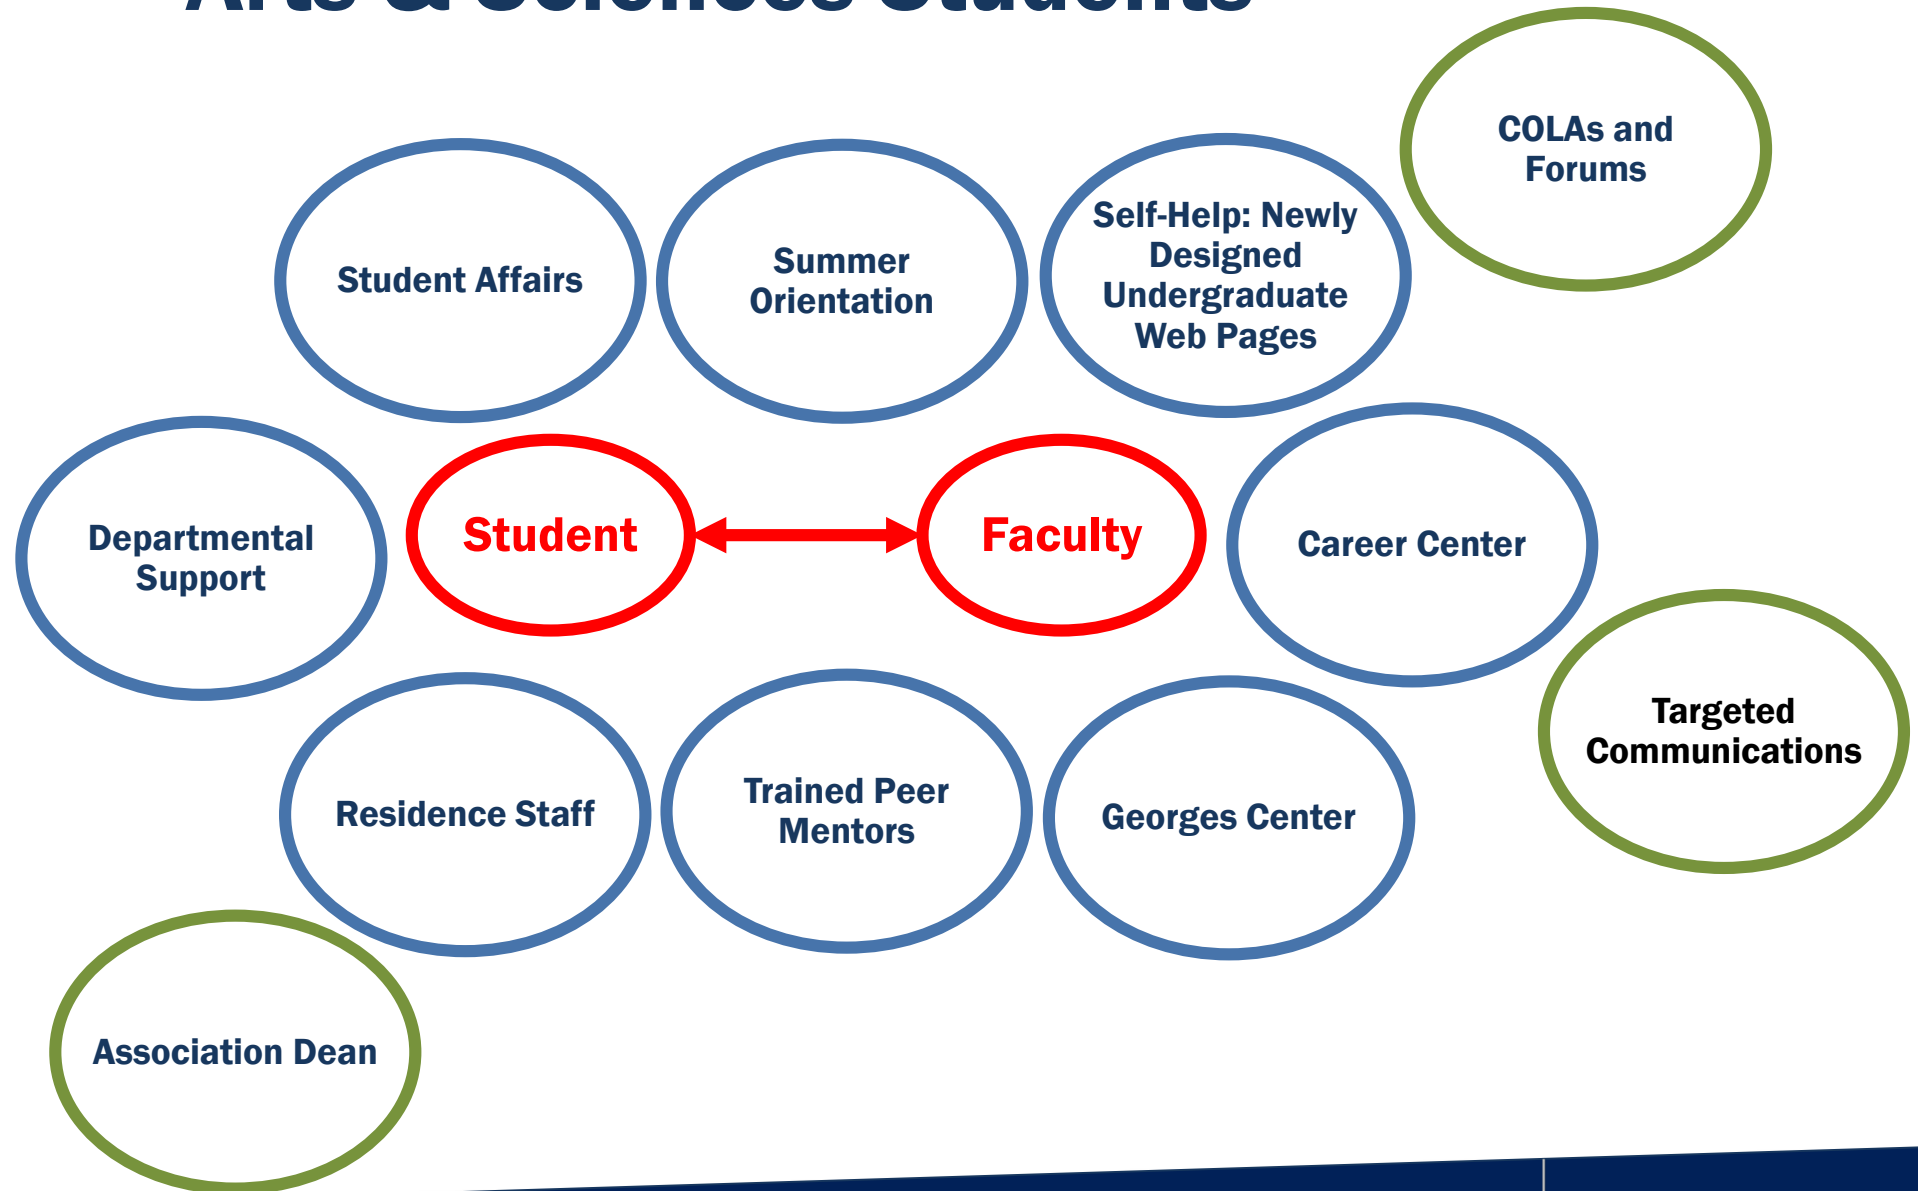

# Purpose of Advising

- **Helping Students Achieve Success at the University and Beyond**
- **How do we Define Success?**
  - **Objective Outcomes: Retention/Graduation Rates, Career Pathways, Satisfaction**
  - **Subjective Outcomes: Long-Term Personal and Professional Success, Developing Responsible Citizen Leaders**
- **How do we Support an Advising System that Enables these Outcomes?**

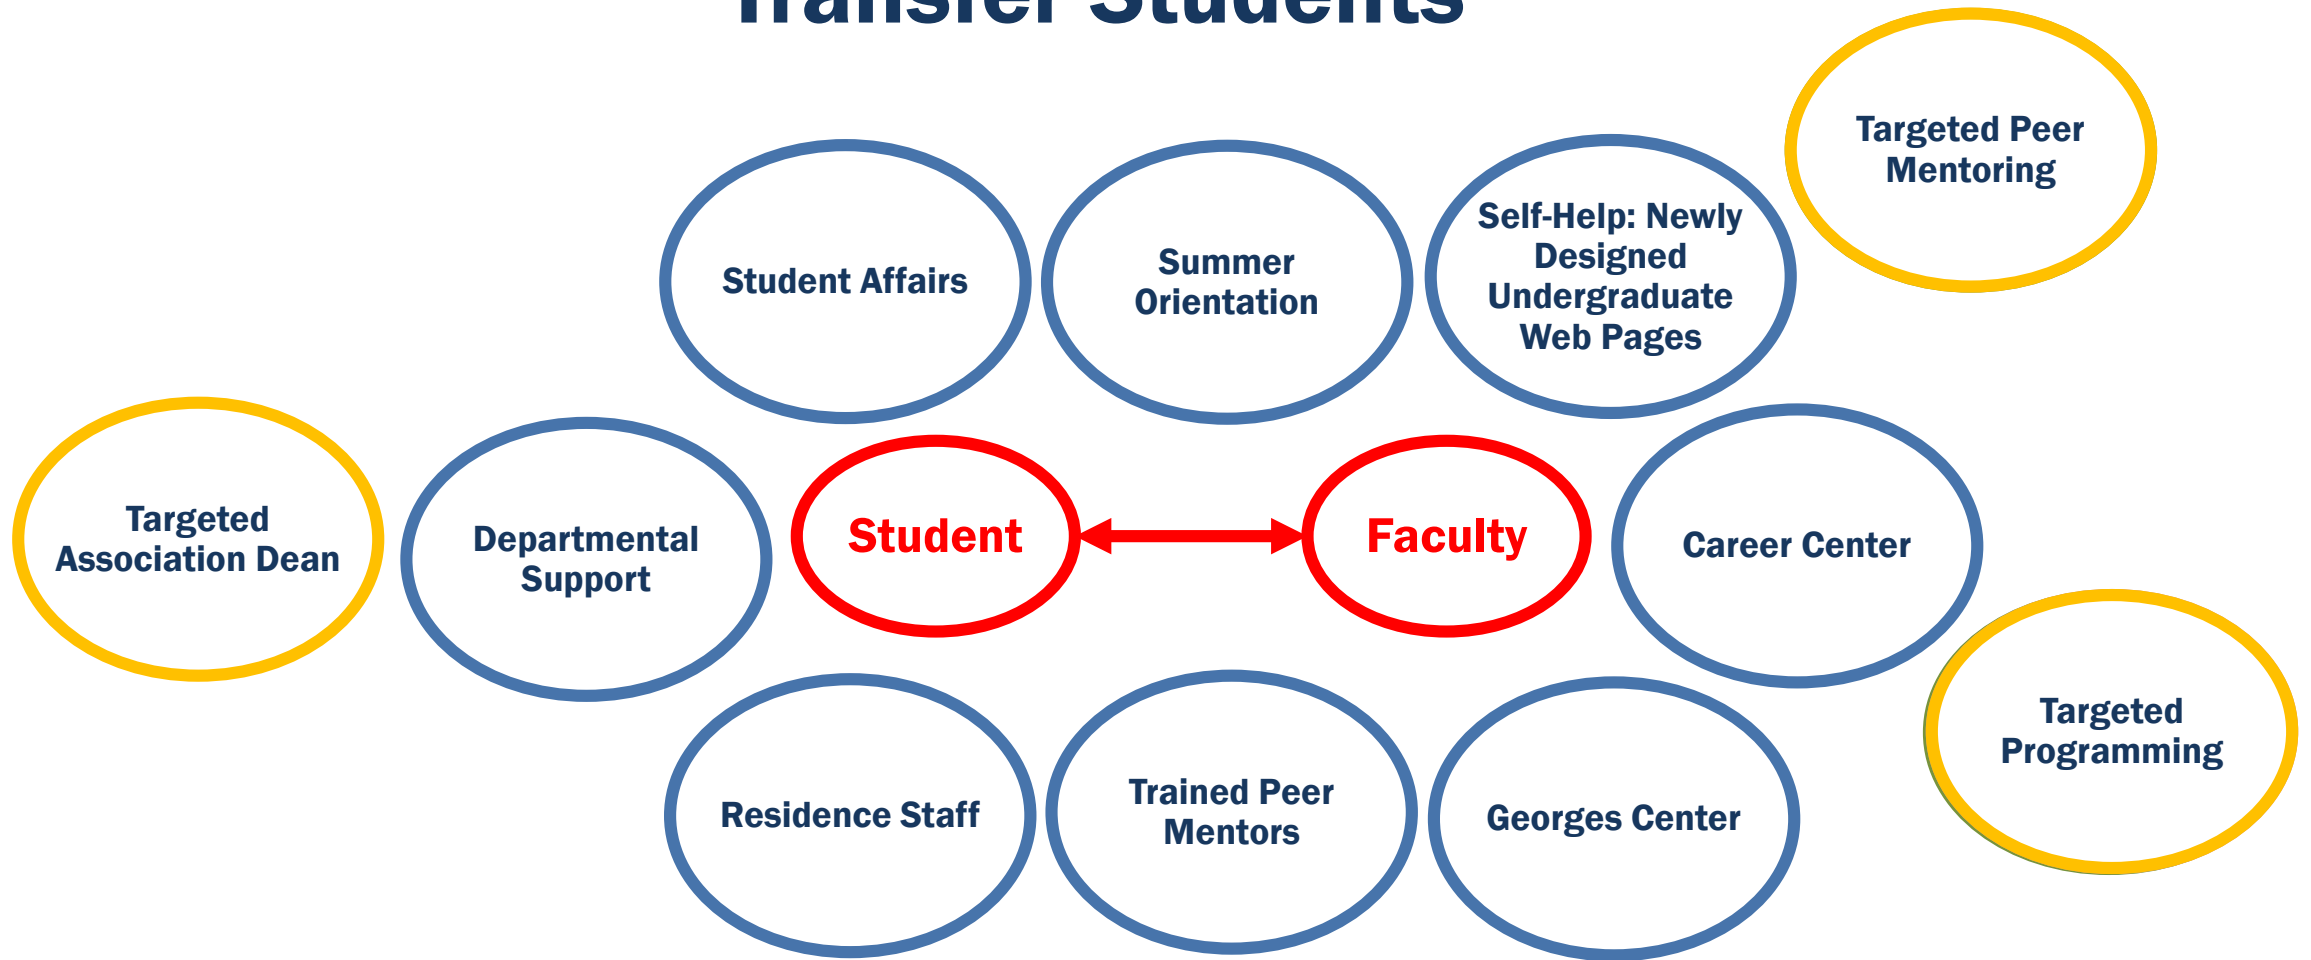

# All Students

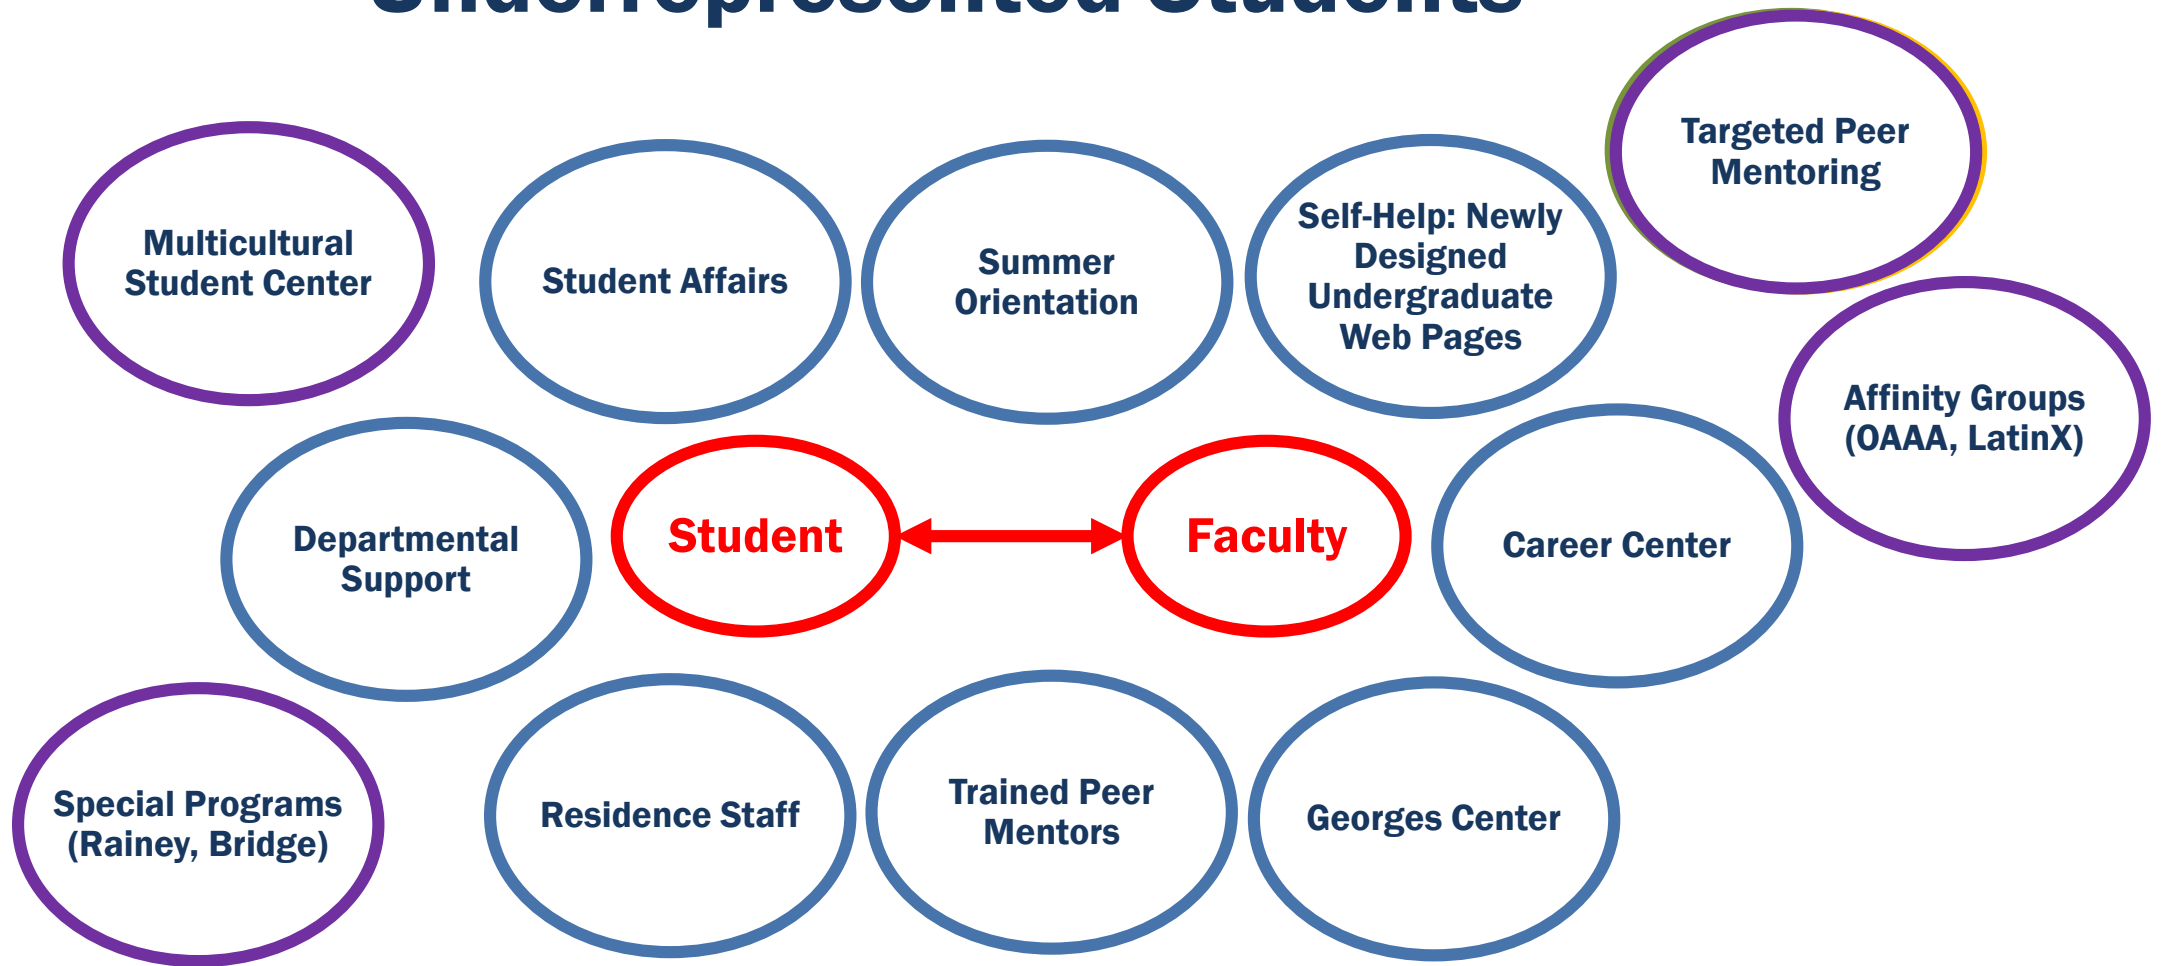

# Arts & Sciences Students

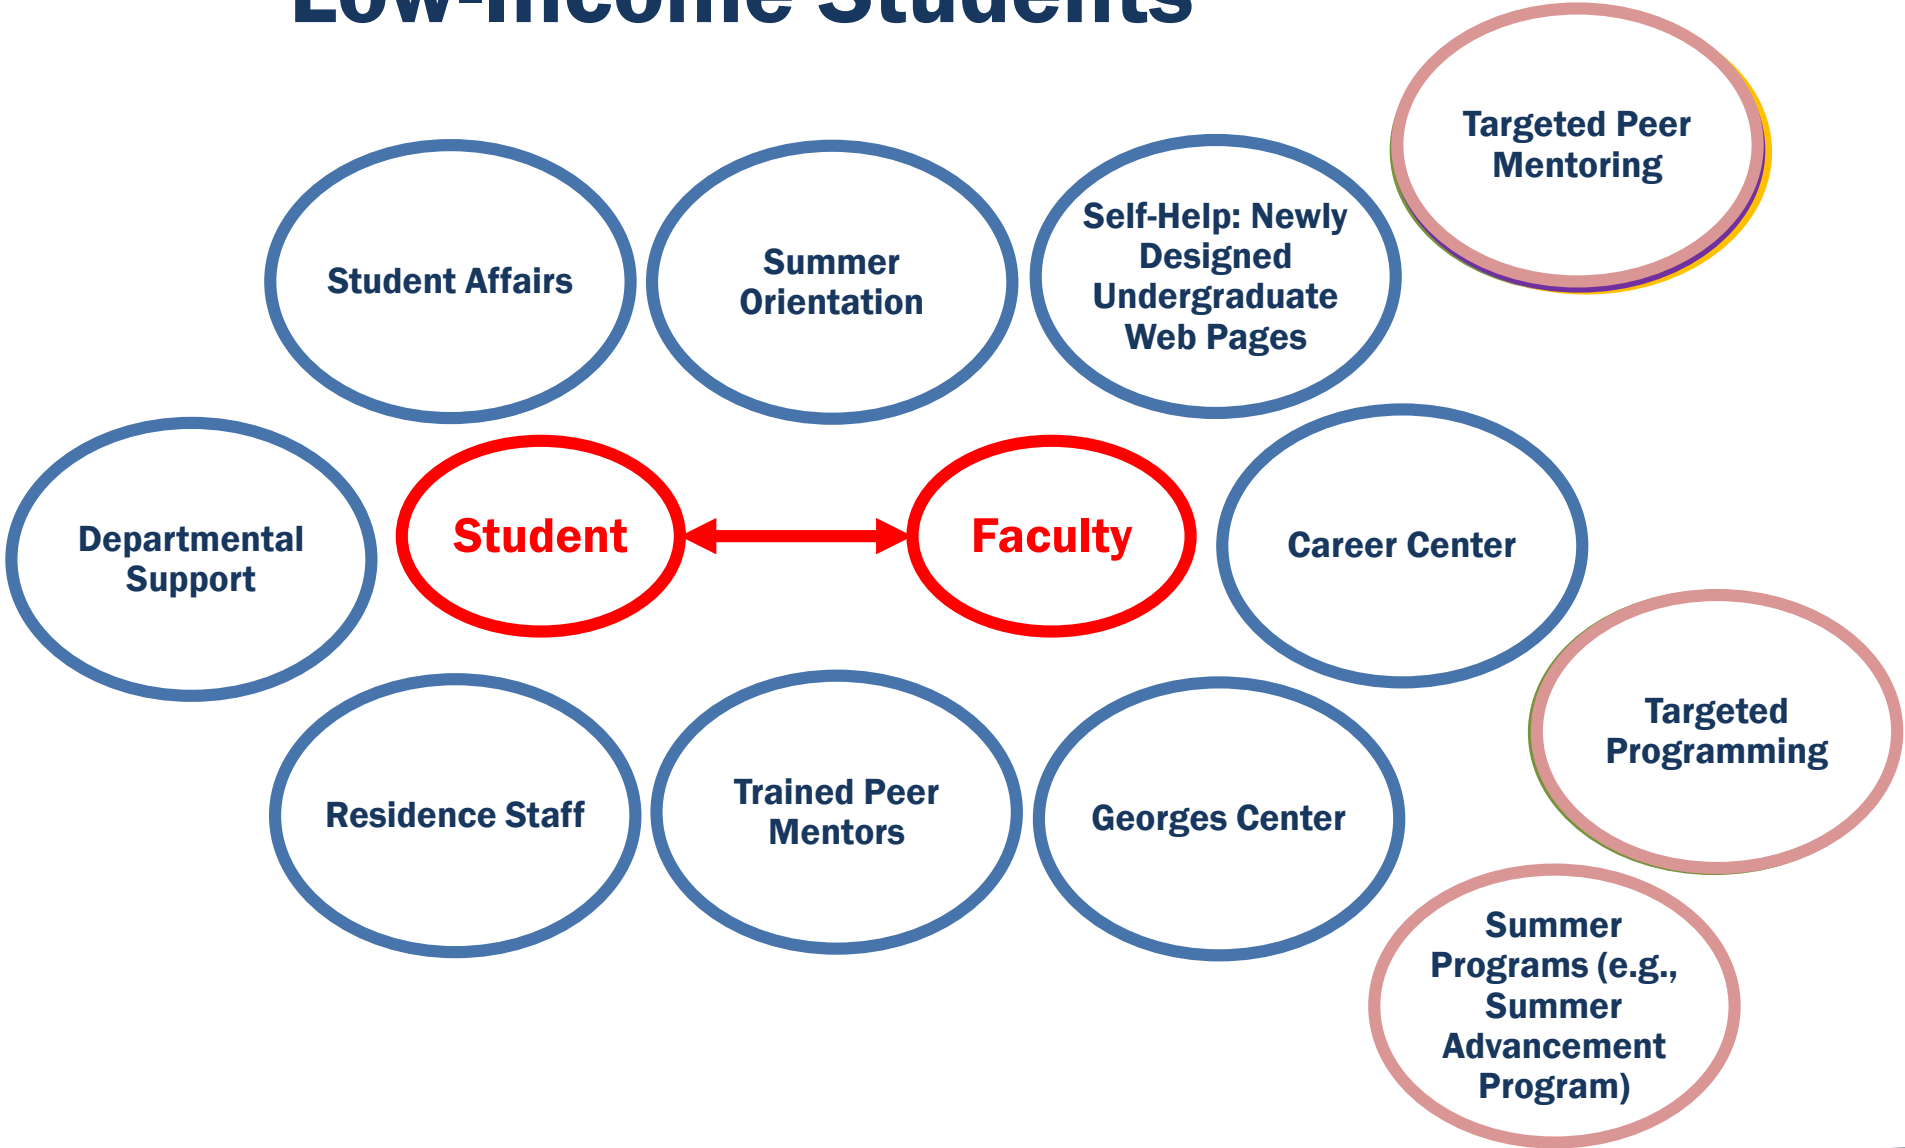

# Transfer Students

# Underrepresented Students

# Low-Income Students

# Challenges We Are Addressing

- **Programming for Different Student Populations**
  - First Generation
  - Transfer Students
- **Training for Peer Mentors & Advisors**
- **Making Communications More Effective**

# Upcoming Activities & Projects

- **Lamborn Hughes Institute (coming June 2019)**
  - **What Students Should Know, What Actions to Take (Lifecycle)**
  - **Empowering Students to Achieve Balance Between Seeking Help and Self-Direction**
- **Resources Playlist**
