

March 27, 1998

The Buildings and Grounds Committee of the Board of Visitors of the University of Virginia met, in Open Session, in the East Oval Room of the Rotunda on Friday, March 27, 1998; Albert H. Small, Chair, presided. All Members of the Board of Visitors were present.

The Committee adopted resolutions - and recommended them to the full Board for approval - approving the selection of architects for the Carr's Hill Arts Precinct, the Groundswalk, and a Medical Center Term Contract. The texts of all three resolutions may be found in the Minutes of the March 27-28 meeting of the Board of Visitors.

The Committee heard reports on a variety of subjects, including the plan to replace Miller Hall with a new and larger structure which will serve as the outside entrance to the new Special Collections Library. There was discussion, as well, on the Scott Stadium Expansion Project.

Respectfully submitted,

  
Alexander G. Gilliam, Jr.  
Secretary
