| Local Government<br><b>\$0.2M</b>               | Local Government<br><b>\$1.1M</b>               | Local Government<br><b>\$0.4M</b>               |

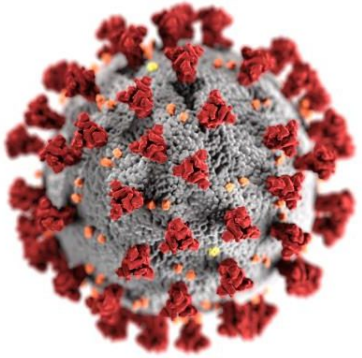

# Research Ramp-Up

- Expanded on Grounds lab research for essential activity starting June 1, 2020.
- Currently we have safely opened:
  - Over 400 labs
  - Brought back over 2300 researchers back to work
    - Approximately 1000 of which are graduate students.
- Experienced undergraduates back in labs -in planning

# Philanthropic Support for COVID-19 Research

---

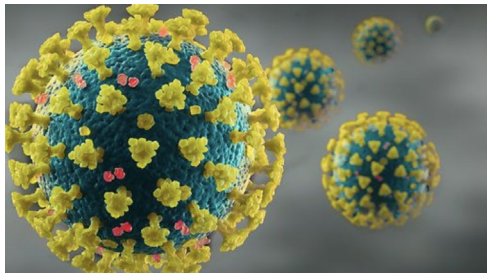

- **Manning Fund for COVID-19 Research \$1.9M** gift for supporting research focused on testing, therapies, vaccines, and ways to reopen society.

- 52 Applications received and 9 projects selected for funding  
<https://research.virginia.edu/ManningFund>

- **Ivy Foundation COVID-19 Translational Research Fund \$2M** gift to accelerate biomedical research focused on COVID-19 at the University of Virginia to support critical research that addresses COVID-19 diagnosis, treatment options, vaccine development and healthcare worker protection needs.

- 31 Applications received and 14 projects selected for funding  
<https://research.virginia.edu/IvyFund>
